Title: Birth of a New Evil

Author: Xry K'li

A new dawn awakens.  
As I opened my eyes I  
didn't think this 'twas  
any other day. One of  
harvest, one of  
prayer...but that all  
changed.  
It all started when my  
daughter came home  
one day from Lord  
British's land. She told  
me of a demon who  
used the souls of man  
to create hell spawns.  
I knew not of this as  
my daughter was  
frantic. I decided to  
quickly put her to  
bed. The next eve, I  
heard a sound outside  
in the farmhouse. As  
I went to look about I  
noticed a strange being  
to which  
seen. He was quite old,  
pale and had the look  
of death upon his  
forehead. I quickly  
said "who goes there?"  
and the michaveous  
being replied, "thy  
children are next".  
Scared to death I  
ran inside and watched  
over my children the  
rest of the night.  
Later in the passing  
days many died.  
Names of darkness  
called  
had come across. It  
seemed this being was  
working for Yilth  
collecting the souls of  
men for some horrid  
experiment. We must  
track them down and  
decipher this plot. Our

farm lands grow  
weaker, people are  
dieing.....I write this  
in hopes of someones  
help. My life is at an  
end im afraid there is  
nothing I alone can do.  
I send this messenger,  
Amber, to you in  
hopes you recieve this  
journal. Help rid our  
people of this man,  
help destroy Yilth and  
return peace to our  
village and stay clear  
of the guild who  
studies this ancient  
evil...this  
necromancy. I fearfor  
you all!!  
I send my aid to you  
and another in 1 week  
with a manuscript of  
this evil-BEWARE!
